

Advanced Diploma in Teaching English to Speakers of Other Languages (TESOL)

Study Abroad Program in Athens, Greece

Your passport to English teaching jobs throughout the world.

Whether you're considering a career teaching English to speakers of other languages or just thinking about living abroad for a year or two, teaching in a language school abroad can be an incredibly rewarding and valuable experience. You'll improve your communication skills and gain a better understanding of your own language and culture—and how people of other cultures perceive yours.

Get Prepared—and Certified

But the days when being a native speaker of English was enough to find a teaching job abroad are gone. Schools abroad are increasingly looking for candidates who have been trained as language teachers—and have the certification to prove it.

The Hellenic American University Advanced Diploma in TESOL is an excellent way to prepare yourself for international teaching and certify your teaching skills at the same time. This credit-bearing leads to an internationally recognized Level-5 qualification in Teaching English to Speakers of Other Languages.

Two Months, Five Courses, A Supervised Teaching Practicum

The Advanced Diploma in TESOL can be earned in an intensive two-month summer session in Athens. The program can be done regardless of your major, since no previous knowledge of TESOL or linguistics is assumed. The program comprises five 3-credit courses, one of which is a supervised teaching practicum in a real classroom setting. The courses are done in two consecutive sessions as follows:

Part 1: June 2018

Language Awareness
Introduction to Methodology

Part 2: July 2018

Advanced Methodology
Teaching Practicum
Intercultural Communication

Total credits: 15

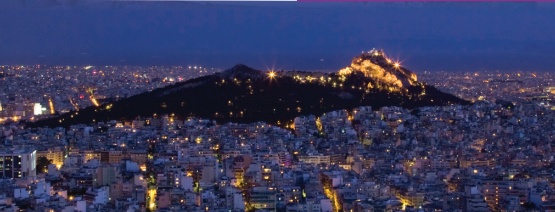

Certification: ETECT-LEVEL 5 (English Teaching Competency Test)

An Unforgettable Experience

Athens is a great place to study. Friendly, affordable and safe, this modern city is steeped in history and boasts a vibrant cultural life. And with island beaches and mountain trails within easy reach, you'll have ample opportunities to unwind from your studies.

Support During Your Stay

As a student in the program, you'll be assigned a faculty mentor who can provide academic and career guidance during your studies. You'll also find help on practical matters from the Office of Student Affairs and International Programs.
